

GET MORE COMFORTABLE WITH WHOLE HOME IMPROVEMENTS

A Home Energy Assessment is a check-up for your whole home to ensure it's working its very best. The assessment will help identify what improvements will lower your energy costs and improve your overall comfort. And, your local utility is here to help. Sturgeon Bay Utilities is offering an incentive for completing a Home Energy Assessment by a certified Focus on Energy Trade Ally.

Make recommended improvements identified in a Home Energy Assessment. Improvements like air sealing, additional insulation, and upgrading heating and cooling equipment can lower your energy bill and make your home more comfortable. Focus on Energy offers up to \$2,000 in incentives on these improvements.

SEE REVERSE SIDE FOR MORE PROGRAM DETAILS.

At Sturgeon Bay Utilities, we join forces with other local not-for-profit utilities through WPPI Energy to share resources and lower costs.
