

WANT TO GO PAPERLESS?

Beginning in March, e-billing will truly become paperless. Customers participating in e-billing will receive an e-mail notification each month as soon as your billing statement is ready. You will no longer receive a paper bill in the mail if you selected **YES** to Email in **MyAccount** under **Bill Delivery Options**. You can check your email option by logging into **MyAccount**.

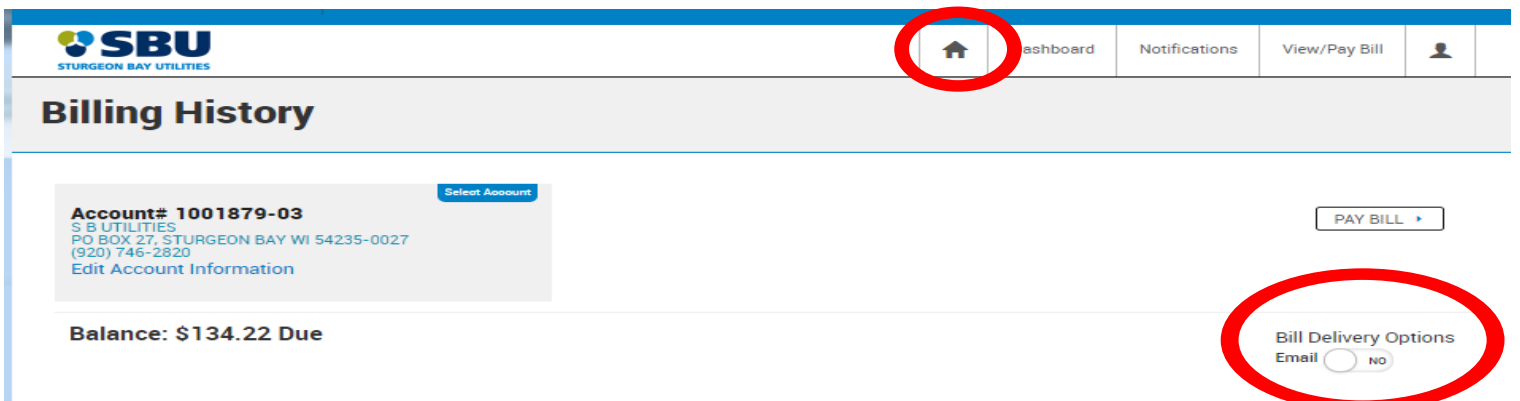

If you are interested in signing up for e-billing but have not registered with **MyAccount**, it's just takes a few simple steps: Click on "**MyAccount**" located in the right hand corner of this website.

Select "Create an Account". Be sure to use your correct account number and account name as they appear on your monthly utility bill, choose a password and verify your password, enter your email address, select a Secret Question and Answer and you are set!

Once you have created your account, access your **Billing History** by clicking on the HOME icon and select the **Bill Delivery Options** for Email. By selecting **YES** you will no longer receive a paper copy, By selecting **NO** you will continue to receive a paper copy in the mail.
